PROFESSIONAL SUMMARY

Executive Virtual Assistant with 4+ years of experience supporting business operations, ecommerce workflows, client communication, and recruitment coordination. Skilled in CRM administration, content planning, calendar management, and process improvement across remote teams. Managed 100+ product listings, 20-40 weekly customer orders, and 200+ applicant records while maintaining operational efficiency and organized business systems. Experienced in developing custom CRM solutions, coordinating cross-functional workflows, and providing reliable administrative support for growing online businesses.

FEATURED PROJECT

Custom Sales CRM Development (Portfolio Project)

- Designed and built a custom Google Sheets CRM for a business coach operating a high-ticket coaching program.
- Created lead tracking systems, sales pipeline monitoring, follow-up workflows, and reporting dashboards to centralize prospect and client data.
- Improved visibility of sales activities and reduced manual tracking through a structured CRM process.

PROFESSIONAL EXPERIENCE

Freelance Ecommerce Operations Assistant

IPTS Health and Wellness Products Trading | July 2019 – March 2026

- Coordinated end-to-end e-commerce operations, inventory monitoring, and fulfillment workflows for 100+ active product listings across Shopify, Shopee, Lazada, and TikTok Shop.
- Managed 20–40 weekly customer orders, maintained accurate fulfillment records, tracked order status, and resolved customer concerns to ensure a smooth purchasing experience.
- Supported brand growth by creating content calendars, conducting competitor and market research, and organizing digital assets for a health and wellness brand with a 9.9K-follower Facebook community.
- Utilized Meta Business Suite, Canva, Google Sheets, ChatGPT, and Claude to streamline workflows, support content planning, organize business information, and improve operational efficiency.
- Maintained backend systems, customer communication, inventory updates, and operational reports to support daily e-commerce and social media activities.

Customer Service Representative (United Airlines Account)

Concentrix | September 2022 – October 2025

- Resolved customer inquiries related to flight bookings, schedule changes, travel policies, and baggage concerns while delivering professional phone-based support.
- Maintained accurate customer records and case documentation while meeting quality assurance and compliance standards.
- Coordinated with internal airline support teams to resolve escalated travel concerns and service disruptions efficiently.
- Delivered consistent customer service in a high-volume environment while adhering to performance metrics and service-level agreements.

Talent Acquisition Specialist

Recruitment Solutions Department | May 2021 – August 2022

- Scheduled and coordinated 20+ weekly candidate interviews while managing recruiter and hiring manager calendars.
- Maintained ATS records for 200+ applicants, ensuring accurate documentation and timely recruitment updates.
- Tracked candidate pipelines and follow-up activities to improve recruitment workflow visibility across hiring teams.
- Prepared recruitment reports and candidate documentation while handling confidential applicant information.
